4-H Food Smart Families...

We need your help! This year, Chester County 4-H has received a grant worth $14,000 to spend on educating youth and families about the importance of healthy living. We will be putting a lot of effort into teaching our middle school and junior high students about nutrition, exercise, and health through a variety of fun ways. Where do you come in? We want you to help us with these teaching efforts. These younger students no doubt look up to you and would LOVE to have you visit their classrooms along with their 4-H agents. Interested? We can arrange for you to help us out ... it would mean missing some of your own class time... if you are willing to commit your time to this great opportunity. Remember that you must be in good standing with your teachers and principals and must attend a training before becoming a Food Smart Families Teen Leader. We will discuss this opportunity in much more detail at our September 17th, Third Thursday meeting.

Honor Club...

The 4-H Honor Club is organized statewide and provides recognition, primarily within counties, of 4-H members who have demonstrated consistent leadership ability and have been active members in their clubs and communities. Tennessee 4-H Honor Club is one of three recognition levels that an outstanding 4-H member may achieve during their 4-H career. 4-H Honor Club membership is granted to those 4-H'ers who have shown exceptional 4-H project work and a willingness to share what they have learned with other 4-H'ers as a junior or teen leader.

Coming Up...

4-H Land Judging – Jackson Experiment Station
October 6, after school.

4-H Livestock Judging – Triple P Arena
November 5 – after school

Who doesn’t like a great surprise?!?!

Third Thursdays...

Want more than just a once-a-month drop in meeting from YOUR 4-H club? We don’t blame you! That’s why in addition to our monthly in-school meetings, we will be hosting another 4-H meeting every third Thursday of the month at the UT Extension office from 6:00-8:00 p.m. At these 4-H meetings we will be able to plan more projects, get involved with more 4-H activities, and have a lot of fun! Speaking of fun... you want to make sure you are at the first Third Thursday meeting on September 17th. We have a very fun SURPRISE planned that you do not want to miss. Plus we will spend some time eating (it will be dinner time after all) and planning our 4-H year. Make plans to attend on Thursday, September 17th now!!

Social Media...

Did you know that Chester County High School 4-H has a Twitter page? Look for updates from chestertn4H to know what’s going on with your 4-H club. If you think we need extra ways of reaching high school students through social media, let us know your ideas and we will work together to get the word out about 4-H!!!

Get Your Friends Involved with 4-H...

Know someone who couldn’t make it to the meeting today? No worries! Just tell them about our next meeting on Thursday, September 17th, at 6:00 p.m. Everyone is welcome to attend!

Real. Life. Solutions.
