Greetings!

We hope you are having a GREAT summer break from school! And since you may have some extra time on your hands, we've got a “day camp” idea for you. If you are interested in wildlife (especially some that are not native to our area), fishing and a little hiking, then read on!

The Goodman Ranch is a premier hunting outfitter in our area. They have many “exotic” breeds of wildlife, and they focus on environmental conservation as well. Anyway, they are gonna host a 4-H day camp at their place on July 8, 2014. It'll start at 1 p.m. and be over at 7 p.m. (because we'll be able to see more wildlife in early evening).

Cost? It'll be only $15, which includes a hamburger/hot dog meal to cap the day. We'll fish some, hike some (and probably find some of the wildlife antlers that they shed every year!), enjoy a hay ride as we view some of the wildlife and then enjoy the meal. It's gonna be GREAT!!! Transportation to the ranch, located north of Chickasaw Park, IS NOT INCLUDED.

So, if you're interested, start a conversation with your folks today! Our limit for this day camp is 25 participants. Deadline to get your fee to the 4-H office is July 1, 2014. If we have more than 25 that want to attend, we'll start a waiting list. Call us for more information.

Sincerely,

J. Brian Signago

(cut off and return to 4-H office, with $15, NO LATER THAN July 1, 2014)
