4-H Beef Expo

July 10-13, four Coffee County 4-H members exhibited their beef cattle at the regional and state level in Murfreesboro. James Russell, Samantha Peyton, Jordan Peyton, and Avery Brown all demonstrated great showmanship skills, character, and professionalism. They participated in a skillathon contest in which they put their knowledge of beef management, nutrition, meat quality, and more to the test. They represented our county well. Individually, they all acquired several awards, but as a group their county group of five placed second. This grouping of the top five cattle from our county was exhibited by our four members and one Warren County exhibitor. As a group, these young beef producers showcased a major part of our community, and they did so with pride.

County Group of Five: Jordan Peyton, Samantha Peyton, Avery Brown, James Russell, Marci Pope
(Warren Co.)

Sheep Shows

Sarah Weaver has been showing her sheep this summer at both the regional and state level. Both her registered Dorpers and market lambs have brought home several awards including Reserve and Grand Champions.
