Be A Good Delegate

- Make it a point to be on time or ahead of time for each session and event.
- Be a good listener. Some important donor representatives, university officials and 4-H alumni will be speaking during Roundup. Impress them by your attentiveness.
- Smoking and chewing gum in public are out of place during Roundup.
- Mean much to them.
- Share your experience with others when you return home. Take notes and be prepared to give an interesting and worthwhile account of your Roundup experience.

Assembly Courtesy

- Two whispers do not bother a speaker, but 500 whispers make it difficult for him/her to be heard so be considerate.

Remember

- As official delegates of their counties, delegates serve as 4-H ambassadors. Delegates should strive to be an example of a model 4-H'er!
