The Regional Rural Development Centers in cooperation with the USDA Agricultural Marketing Service (AMS) have developed workshop materials and resources focused on improving the funding success rate of applicants to USDA AMS grant programs, specifically the Farmers Market Promotion Program (FMPP) and the Local Food Promotion Program (LFPP).

We are participating in this project, and offering this training program to assist individuals and organizations in their efforts to secure AMS resources to further the provision of local foods. This training is limited to the first 50 participants registered per site, and it is offered at no cost to participants. Workshops are scheduled from 10 am to 3 pm. Lunch will be provided at no cost to participants.

REGISTRATION
Advance registration is required. Contact your local Extension Office to register.
