

Team Captain Responsibilities

- ⇒ Get 8 people (4 if you are all jogging or cycling) together and name your team. At least half of your team must be DeKalb County residents.
 - ⇒ Download Captain's packet and individual registration forms for each team member at <https://dekalb.tennessee.edu>. (Download registration forms separately if not in this packet). Give each team member a copy of the *individual mileage chart*, *exercise conversion chart*, and *registration form*. These are at the UT Extension office and the DeKalb County Complex if you are unable to download them. Registration forms are due on or before **Monday, April 10**
 - ⇒ Encourage team members to attend Kick Off on **Monday, April 10** at 6:00 PM at **Green Brook Park**. Begin counting your exercise **April 10**. Each Sunday ends one week of exercise. Contact team members to get their weekly totals (Monday – Sunday) and record this on the *Team Mileage Chart*. Exercise ends on **Sunday, June 4**. **Please turn in final team AND individuals totals by Monday, June 5. Awards will be on Monday, June 12 at 6:00 PM at Green Brook Park**
- Encourage team members to like our Facebook page so they can see Weekly team challenges and other posts.
- ⇒ Mail team mileage on the enclosed form with each individual members mileage listed to April Martin by Monday each week (amartin3@utk.edu) or call 615-597-4945. You can also fax 615-597-1421. *The faster you can do this, the faster we can report team totals for the week on the Walk Across Tennessee DeKalb County Facebook Group Page and the UT Extension DeKalb County website (<http://dekalb.tennessee.edu>).*

Walk Across Tennessee Wrap-Up

It has been a pleasure working with you during your Walk Across Tennessee. Your success and opinions are important to us. Please help us to plan and improve future WAT's by filling out this survey. Please bring this with you to the Award's night or fax to the UT office at 615-597-1421.

	Yes	No	Not a Goal
Reduced Stress			
Improved Sleep			
Increased Energy			
Reduced or Help Me Stop Smoking			
Reduced Blood Pressure			
Reduced Blood Sugar Level			
Decreased Blood Cholesterol Level			
Decreased Pain of Arthritis			
Increased Exercise Routine during WAT			
Lost ____pound during WAT			
Will Continue to Exercise after WAT			

Thank You

This chart has been adapted from materials developed by the Texas Cooperative Extension and SilverSneakers.

Please note that the distances in the far right column are estimates. They are based on the average caloric burn for a person who weighs 150 pounds. Your distance in miles may be lesser or greater depending on your weight and the intensity of your exercise. Check out our article in the Walk Across Tennessee News on how to monitor intensity from American Council of Exercise.

1. **Pedometers can no longer be used to count mileage while at work. If you don't know the distance of an area, for most people, walking at a brisk pace for 20 minutes = 1 mile.**
2. **To count any exercise you do for the competition, the exercise must be intentional and consistent for at least 15—20 minutes. For example, if you start out walking for 7 minutes and then stop to drive to the store, then later do some light housework for 10 minutes, this should not count. While it is helpful to get any amount of exercise, we are trying to make this competition as fair to everyone as possible.**
2. **Only registered team members can participate. Team members cannot be “switched out” throughout the contest without the approval of UT Extension office. Teams that break this rule will be disqualified.**
4. **Above all, be as honest as possible. Try to not “fudge” your mileage. We want this to be a fair competition.**

Exercise Conversion Chart for Walk Across Tennessee Participants

Below is a chart to change some other exercises to miles. Walk Across Tennessee is all about moving for fitness. Other types of exercise can be converted to miles. Below is a chart to change some other exercises to miles:
