

# How to Upload a YouTube Video for the Virtual 4-H Contest

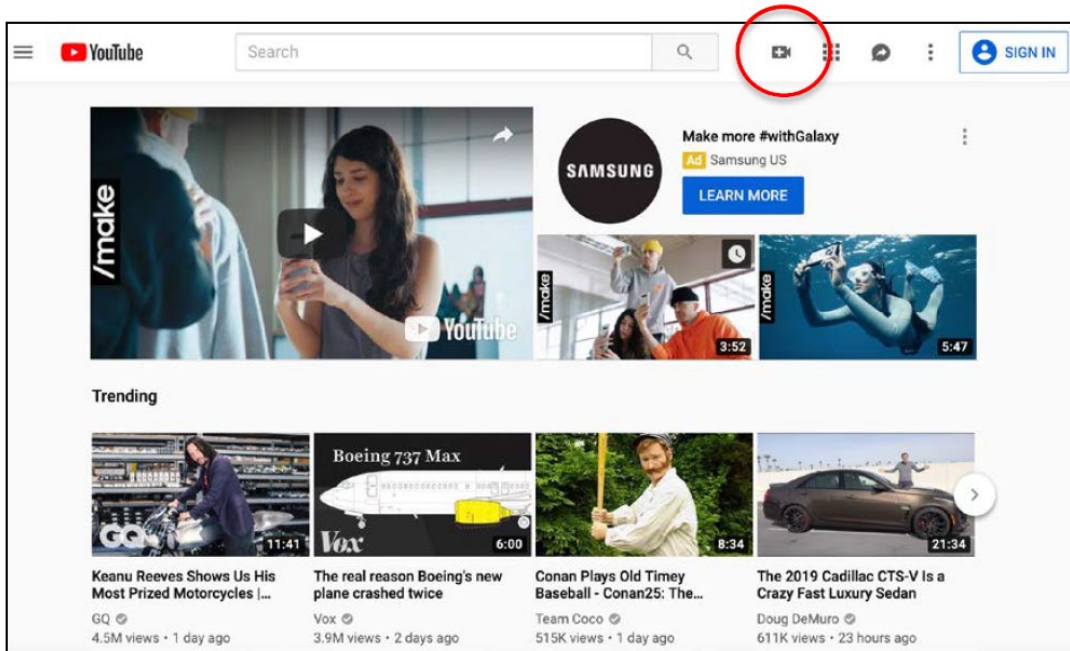

1. Follow this link to upload your video to YouTube: <https://www.youtube.com>
2. **Sign in** using your Gmail account

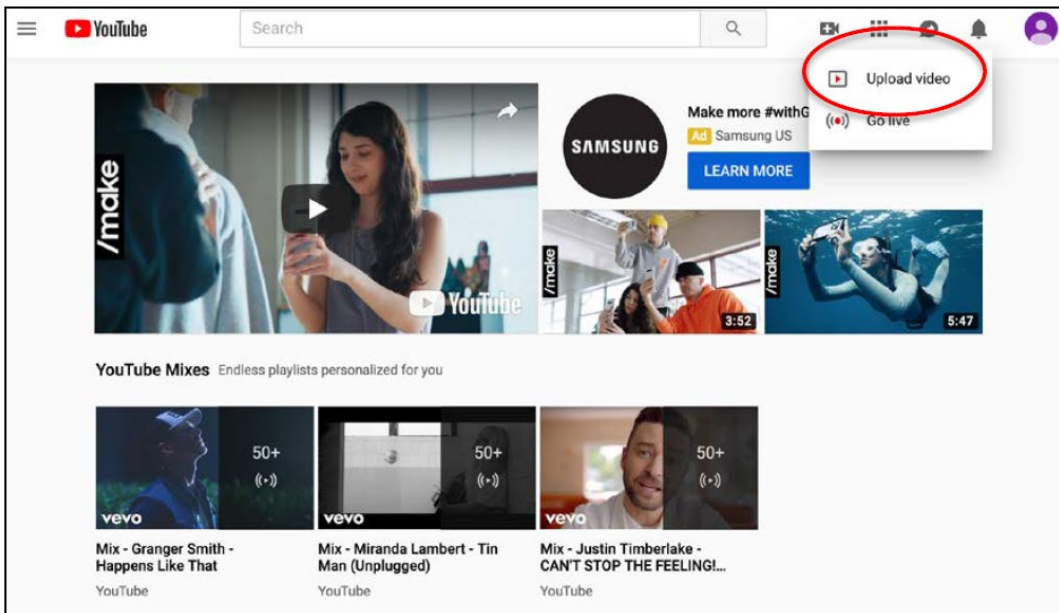

3. If you don't already have a Google Account you will need to create one.

A screenshot of the Google Account creation page. The page features the Google logo at the top, followed by the heading 'Create your Google Account to continue to YouTube'. Below this, there are input fields for 'First name', 'Last name', and 'Your email address'. A note states 'You'll need to confirm that this email belongs to you.' and a link 'Create a Gmail account instead' is provided. There are also input fields for 'Password' and 'Confirm', with a small icon of a crossed-out eye. At the bottom left, there is a link 'Sign in instead' and a blue 'Next' button. On the right side, there is a graphic of a blue shield with a white person icon, and below it, icons for YouTube, Gmail, and Maps. The text 'One account. All of Google working for you.' is positioned below the graphic.

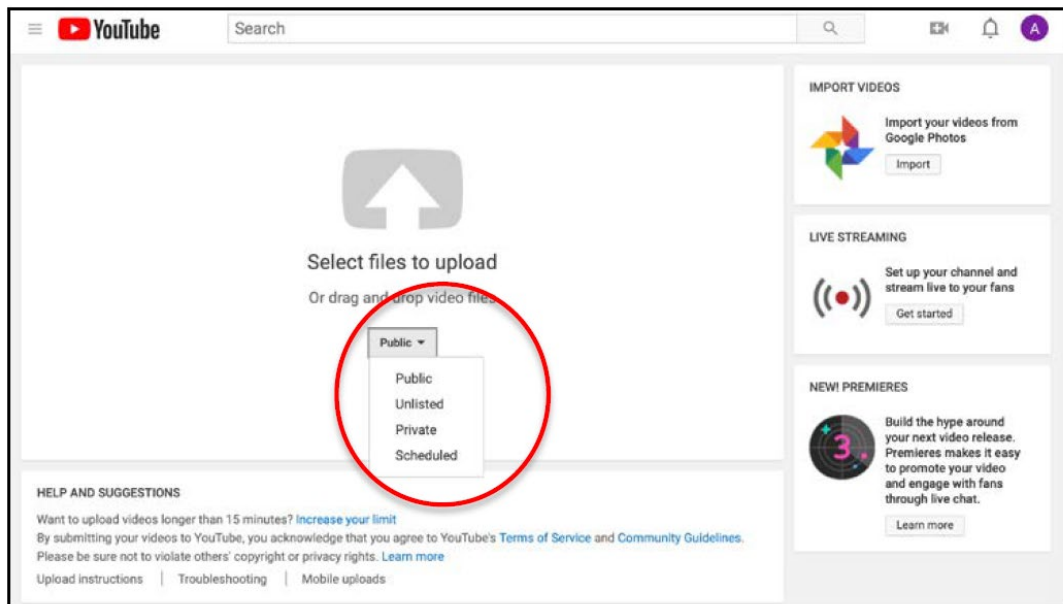

4. If creating a new account, verify your email and sign in.
5. At the top of the page, click the **Upload** Icon. 

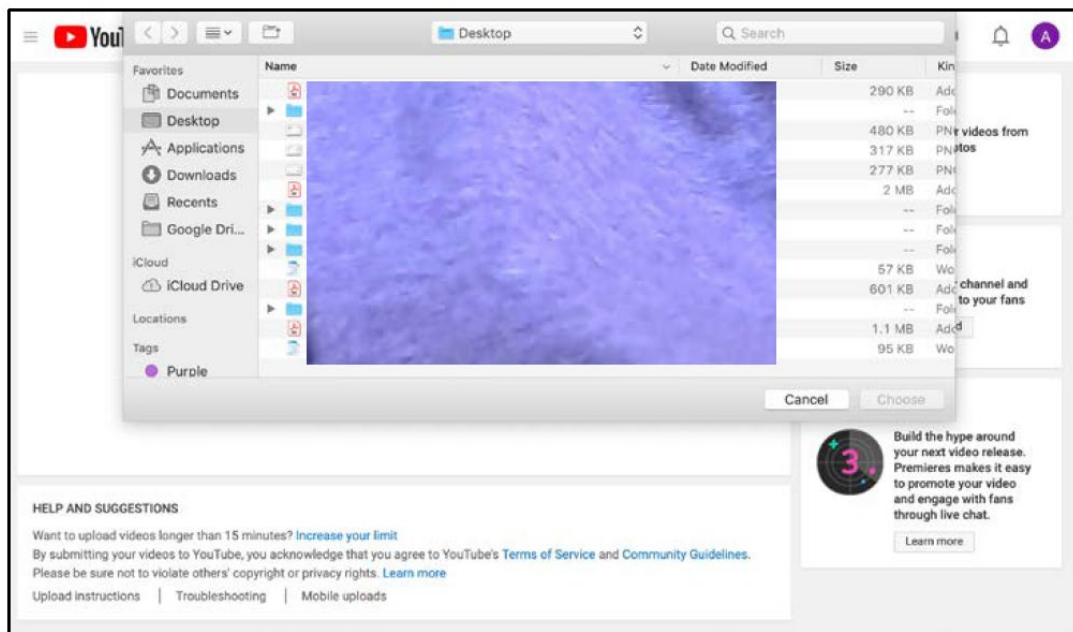

6. Select **Upload video**.

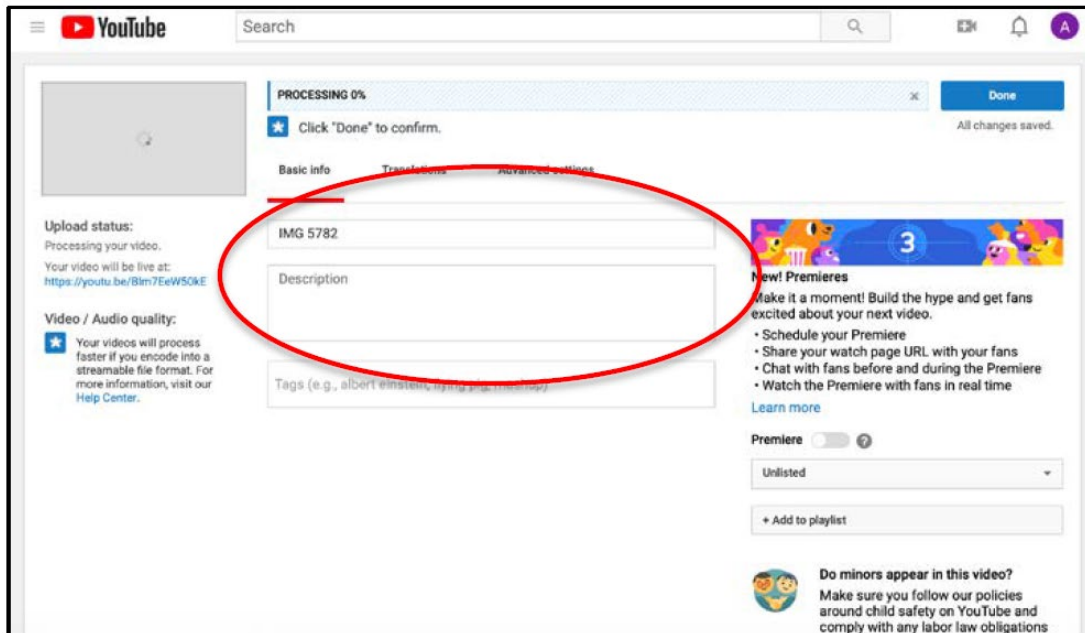

- Before uploading the video, choose the video's privacy setting. For the 4-H Virtual Demonstration Contest, we encourage you to use the unlisted option.
  - Unlisted videos can be seen and shared by anyone with the link. Your unlisted videos won't appear to others who visit the "Videos" tab of your channel page and shouldn't show up in YouTube's search results unless someone adds your unlisted video to a public playlist (which we will not do.)

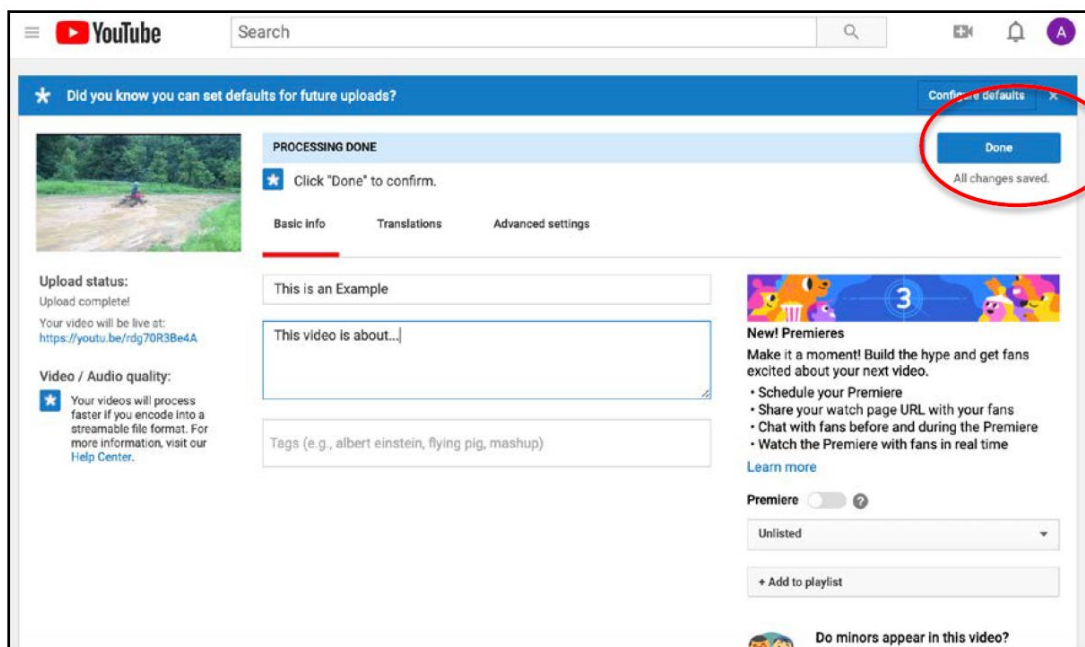

- Select the video you would like to upload from your computer or device.

9. As the video is uploading, please add a title and description under the “Basic info” tab. The title should be “Your Name.Grade.Project”.

10. If you set the video privacy setting to unlisted, just click Done to finish the upload. If you set your privacy settings to public, click publish in the top right to finish uploading to YouTube. Note: If you don't click Publish/Done, your video won't be viewable by other people. You can always publish your video at a later time in your Video Manager.

11. At this point you will see the Share screen. You need to copy the link provided. This is what you will provide to Mrs. Elizabeth to be entered into the contest.
