
Food Preservation Resources

Use USDA and Extension research-based resources for safe and reliable food preservation information. Below are several tools for beginners or the seasoned preserver!

USDA National Center for Home Food Preservation: <https://nchfp.uga.edu/>
Go-to site for canning, freezing and drying instructions, recipes, etc.

Basic videos (3-8 minutes each) from University of Minnesota:
<https://extension.umn.edu/preserving-and-preparing/food-preservation-videos>

[Canning Timer & Checklist App](#) from Oregon Extension Service
Generate a checklist and timer for processing over 50 popular foods. Set jar size, pack type, canning method, and elevation. Designed for people with previous canning experience.

Penn State University [Webinars](#) Free and inexpensive (\$5).
