Knox County 4-H Clubs will offer summer workshops to complement many of the standard 4-H projects, to provide enrichment activities and to prepare for displays and exhibits for the Tennessee Valley Fair. The workshops will introduce youth to various aspects of developing and perfecting skills and hobbies as well as provide plenty of opportunities for youth to interact with each other to share knowledge and friendships.

WHO CAN PARTICIPATE?
The University of Tennessee Agricultural Extension offers its programs to all eligible persons, regardless of race, color, national origin, sex, age or disability. The workshops are offered to interested students who have completed the fourth through 12th grades. Everyone who attends must have good behavior and be willing to participate fully in the learning activities.

COST AND FEES
Instructions are provided by the 4-H staff and volunteers of Knox County Extension who provide leadership for 4-H programs. Participants will pay a fee for materials for some of the workshops and provide their own materials for others.

Participants are responsible for bringing a sack lunch each day.
