

Submitted by Dannie Bradford – TSU Extension Agent

Marion County 4-Her Tanner Colvin recently competed with his horse Shotgun at the Regional 4-H Horse Show in Murfreesboro, TN. This was Tanner's first time showing horses with 4-H and he walked away with a fourth place finish in Ranch Horse Trail out of a tough field of competitors! During his class, Tanner and Shotgun had to maneuver through obstacles a rider might encounter while riding out on the trail. This includes trotting over raised poles, backing through a serpentine, opening and shutting a gate while remaining mounted, crossing bridges and much more!

Tanner will now move on to represent Marion County at the State 4-H Horse Show where he will compete against the best of the best from all three regions of Tennessee in hopes of becoming a state champion!
