

Private Applicator Recertification:

A private applicator recertification training will be offered at the Marion County UT-TSU Extension Office on August 31st, 2017 at 5:00 p.m. The cost is \$25 and the meeting should last approximately 1.5 hours. As a reminder, the recertification cycle is only open from 1/1/2017 – 10/21/2017. If you fail to get recertified before 10/21/2017, you will have to take the initial certification again which is \$75 and 3 hours long. Private applicator initial certifications and commercial applicator recertification points are offered by appointment. For more information or questions, please give Matthew Deist a call at 423-942-2656.
