## TN Cattlemen's Association Scholarship

As a reminder, the TCA's college scholarship applications are due tomorrow (June 15th). More info at the link below:

<https://www.tncattle.org/scholarships>

## Extension Publications

### Publication Notice - W 827 Glyphosate FAQ's

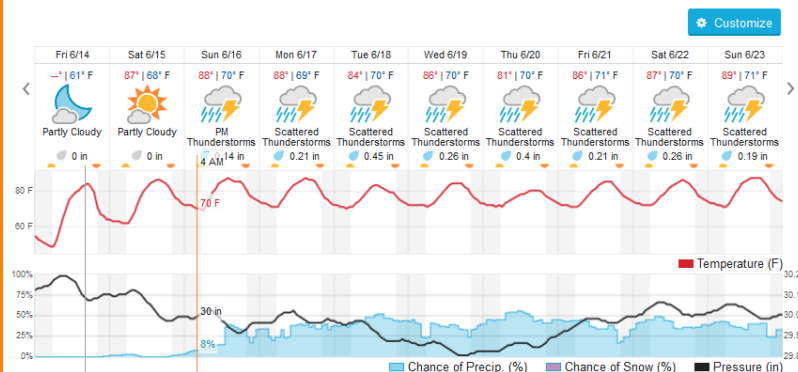

I just received notice of this very useful and simple publication that answers frequently asked questions about glyphosate. It's a short two pages and is straight to the point. You can download the publication off our website at the link below.

<https://extension.tennessee.edu/Marion/Ag%20Library/W827.pdf>

## Jasper, Tennessee

90° RICHARD CITY STATION | CHANGE

TODAY HOURLY 10-DAY CALENDAR HISTORY WUNDERMAP

## Weather Underground - 10 Day Forecast

Again, I'm not promoting any one particular weather website, but this one seems to stay pretty accurate. It is called [Weather Underground](#). Pictured is the 10 day forecast as of 4:13 p.m.

## Pregnancy Checking - Tail Bleeding by Dr. Strickland

I know you've heard me say it, but now you can see it. In this short video by our own UT Extension Veterinarian, Dr. Lew Strickland, you'll see how to pull blood from the tail of a cow or heifer which can be used to check for pregnancy. I have posted the video on our website at this link:

<https://extension.tennessee.edu/Marion/Ag%20Library/tail%20bleed.mp4>

What's not covered in the video is where to get the vacutainer tubes and needles or who analyzes the samples... To find out, give me a shout using the contact information above :)

## Sr Bulls Testing Schedule

Birthdates	9/1/2018 - 12/15/2018
