W 832

Chronic Wasting Disease

Daniel Grove, Assistant Professor and Extension Wildlife Health Specialist
 Department of Forestry, Wildlife and Fisheries

CWD Publication

As some of you may remember, CWD is essentially mad cow disease in deer and is present in TN. Our Extension Wildlife Health Specialist has put together a factsheet linked below:

<https://extension.tennessee.edu/publications/Documents/W832.pdf>

Advanced Master Beef Producer

Meeting #5 - End Product

Our 5th Advanced Master Beef Meeting will be at H&P Meets in New Hope starting @ 1:00 p.m. We will tour the facility and get to see their entire process from start to finish. Dr. Dwight Loveday will wrap up our meeting with a talk on assessing quality and answer any questions you may have.

Commercial Pesticide Points Opportunity

On August 1st there will be an opportunity to earn a few points for commercial applicators. We'll start at 9 a.m. and end around noon or so. For clarification, this is not a recertification for private applicators. Recertification for Pas is between January 1st, 2020 - June 30th, 2020.

Workshop Monday & Tuesday

A QuickBooks workshop is being offered here at the Marion County Extension office starting Monday @ 9:00 a.m. and finishing Tuesday at noon. This is a great workshop for small businesses and small farmers. Cost is \$50. No need to RSVP.

CWD WORKSHOP

The Tennessee Wildlife Resources Agency and the University of Tennessee will be on hand to help answer any questions regarding CWD (Chronic Wasting Disease) the public may have.
