

# Beef Heifer Development School

## *Are you preparing for the future?*

Unfortunately, in many beef cattle herds developing beef heifers is a lower priority leading to frustration over initial conception rates, wasted money and poorer long term cow production. This one day event specific to beef heifers will go over the required needs of developing heifers into productive cows. This event will include presentations and hands on demonstrations by UT specialists.

### Topics covered:

Nutrition

Reproduction

Health

Economics

Forages

Date: May 4, 2017 at 10:00 am

Location: UT Dairy Research and Education Center 1070 New Lake Road Lewisburg, TN 37091

Cost \$25.00 per participant (includes lunch and snacks)

Deadline to register:

April 21, 2017

For more information or to register, contact the UT Extension Marshall County Office at (931) 359-1929
