

*TENNESSEE EXTENSION MASTER GARDENER PROGRAM
Transfer Request*

I completed my initial certification for the Extension Master Gardener Program and am a Tennessee Extension Master Gardener volunteer in good standing at this present time who wishes to transfer to another county.

I completed my initial certification for the Extension Master Gardener Program in another state and am a volunteer in good standing at this time. I wish to transfer to the Tennessee Extension Master Gardener program in _____ (insert name of local county or area TEMG group).

Year intern training completed: _____

Year service completed to become a certified active Extension Master Gardener Volunteer: _____

Current Extension Master Gardener group or organization (please list state if out-of-state): _____

Current county coordinating agent (please include contact information if out-of-state): _____

Extension Master Gardener group or organization where transfer is requested:

Extension agent county coordinator leading program where transfer is requested:

This is the agent to whom this form should be completed and sent to.

I am requesting a transfer from out-of-state or within the Tennessee Extension Master Gardener program to another county due to a move or other circumstance and am leaving on good terms with the group and coordinator listed above. By signing this I confirm that I have informed my current coordinating Extension agent and local group or association leadership.
