I. GENERAL:
   A. All stalls, pens, chutes, etc. located on the grounds of fairs and exhibitions shall be thoroughly cleaned and disinfected with a disinfectant approved by USDA, APHIS between each scheduled fair or exhibition.
   B. All livestock (except poultry) which enter fairs and exhibitions shall be accompanied by an official veterinary health certificate with individual permanent identification or sufficient description to identify each animal. Certificates for this purpose shall be valid for ninety (90) days from date of issue. (Tennessee livestock only – out-of-state certificates are valid for thirty (30) days from the date of issue).
   C. No animal showing clinical signs of infectious or communicable disease shall be allowed to enter or remain on premises of fairs or exhibitions. It shall be the responsibility of the manager of each event to assure prompt removal of such animals.

II. Certificate of Veterinary Inspection and additional requirements as follows:
   A. CATTLE:
      (1) Tuberculosis: No requirements except from states having a tuberculosis culture positive in the last 12 months.
      (2) Brucellosis: Test eligible cattle - Intact male or female cattle eighteen (18) months or older. (Vaccinates and non-vaccinates) Certified Herds - No test requirements.
         Class Free States - No test requirements.
         Class A - Negative test within 30 days
   B. GOATS:
      1) Goats imported into or through Tennessee shall be accompanied by an official health certificate and be in compliance with 0080-2-1-.02, and Title 9, Code of Federal Regulations, Part 79.1 through 79.4.
      2) Goats imported into Tennessee for immediate slaughter to an approved slaughter establishment or to an approved livestock market for sale to a slaughter establishment shall only be required to have a transportation document and be in compliance with Title 9, Code of Federal Regulations, Part 79.1 through 79.4.
      3) All registered breeding goats, goats that have been commingled with sheep, goats for exhibition and dairy goats that move within the state, including for change of ownership, shows, fairs, expositions or slaughter shall be permanently, individually identified by a method approved in Title 9, Code of Federal Regulations, Part 79.1 through 79.4.
