Roane/Morgan County **Master Small Ruminant Producer**

The Master Small Ruminant program is designed as an educational tool to provide information and insight to broaden production management skills and improve the competitive advantage in the market place; toward increased profitability for the sheep and goat producer.

The Master Small Ruminant Program will be led by a team of specialists and agents from Tennessee State University and the University of Tennessee with the support and involvement from representatives of state-level agencies, businesses and organizations that have an interest in the states' sheep and goat industry.

THE MASTER SMALL RUMINANT COURSE WILL PROVIDE:

- Participation in educational sessions with specialists that provide opportunities to gain knowledge in meat goat and sheep production and marketing
- A reference manual of the topics covered in the sessions
- Master Small Ruminant Producer Certification
- Informative interaction with other producers

What is the cost of the Master Small Ruminant Program?

The fee for the Master Meat Goat & Sheep Producer Program is **\$75.00** which covers the costs of the training sessions, educational manuals and other teaching / instructional materials. Additional family members can register for a fee of \$25 which covers training sessions, meals and refreshments. This will not certify them as a master producer.
