

Lane Agri-Park—COMMUNITY CENTER

315 John R Rice Blvd, Murfreesboro, TN 37129

Ph:615-898-7710

Lane Agri-Park is a public owned facility and was built from public funds. Therefore the facility is subject to all laws, rules, and regulations governing public property. The Rutherford County Conservation Board has delegated management and administration of the facility and grounds area to the UT-TSU Extension Office of Rutherford County.

The primary purpose of the facility is the advancement of UT-TSU Extension educational programs and activities for the agricultural and agribusiness community in Rutherford County. Programs and activities for this purpose have priority over any other use of the facility. Programs and activities conducted or sponsored by Rutherford County Extension are not subject for payment of rent. Other Rutherford County Government Departments (including police, fire, schools, etc.) who use the facility for business purposes are not subject to payment of rent.

Private use requests may also be granted. A facility/grounds use request, damage/key deposit, rental fee, and proof of liability insurance will be required for use of the facility and/or grounds area. Facilities may not be used by any organization that would put the public in competition with private business. Questions concerning the eligibility of use for a specific activity or group will be referred to the Conservation Board for resolution.

PROCEDURE FOR RENTING THE LAP COMMUNITY CENTER

Individuals or those representing groups who wish to use the facility and/or grounds area may phone the Rutherford County Extension Office (615-898-7710) for use guidelines. Anyone is welcome to visit the office at 315 John R. Rice Blvd. in Murfreesboro for a tour of the facility. Please call for tour availability.

The facility is rented on a first-come, first-served basis. When asked, we will let anyone know if a given date is available for facility and/or grounds area use. **We do not book the event or hold a date until all the required information (a signed contract, payment of cleaning fee AND rent, and proof of liability insurance coverage) is presented.** We do reserve the right to book an event to anyone who presents the required information even if someone else has previously asked about a given date.

Renters who want to place a hold on a given date may do so by completing a request for use form and paying both the cleaning fee and rent required for the use period in question. Proof of liability insurance would be due two months before the event. This would allow someone to “lock-in” a given date without fear of having someone else book the date in question. The scheduled activity will be removed from the LAP Use Calendar if proof of liability insurance is not provided within the specified period. In this instance, or if the use contract is cancelled at any point before the activity is held, the rent payment will be forfeited; the cleaning fee would be refunded in full.

- ◆ **Both the cleaning fee and rent required for a given activity must be paid when the activity is booked.** The cleaning fee and rent check should be made payable to: Lane Agri-Park Office Complex (or LAPOC).
- ◆ A Rutherford County Extension representative will conduct a facility inspection, provide additional use information, and answer any questions before keys are given to a facility user. **Keys must be picked up during regular office hours (Monday—Friday; 7:30am—4:00pm) . If your event is on a weekend, be sure to pick keys up on Friday. Office hours may vary due to holidays, please check.**
- ◆ Renters may NOT have use of the facility before the scheduled rental date and time as shown on contract.
- ◆ The facility and grounds area must be cleaned immediately after an activity, and keys must be put in the drop box after the use period ends. The cleaning fee will be refunded in full within thirty (30) to forty-five (45) days if the facility and/or grounds area is properly cleaned, left undamaged, and the keys are left in the drop box by midnight (12am) of rental period.
- ◆ Wireless internet is available; ask for password information when picking up keys. LAP is not responsible for outages.
- ◆ LCD’s and a sound system are installed in the Community Center and are available for use; **YOU MUST schedule a time with the grounds manager for instructions before use. Please call at least 3 days prior to your event to schedule.** LAP is not responsible for equipment malfunction. The remotes must be left in the drop box with the keys or your deposit will not be refunded.
- ◆ Overhead projectors and a sound system are installed in the building and are available for use. **FIRST TIME USERS MUST schedule a time for instructions at least 3 days prior to your event in order to use the equipment and to make sure your equipment is compatible with our systems. If you do not take this training, you will not be able to use the equipment.** LAP is not responsible for equipment malfunction and staff is not available at any time to assist with technical problems. If you are unsure about using our equipment or have not taken the training, please plan to provide your own projector / sound system. The remotes must be left in the drop box with the keys or your cleaning fee will not be refunded.
