ADVENTURES

**You get to Pick 1 of these
FAB FIVE ADVENTURES!**

White Water Excitement

Challenge your paddling skills as you canoe down the Nolichucky River. Not a lot of white water but a whole lot of excitement!

Hike like a Viking

Feel like you are on top of the world in this awesome hike up Viking Mountain.

The Falls are Calling!

This is no simple walk in the park! Our most challenging adventure is a hike to the beautiful Marguerite Falls.

Step into the Past

Learn from the past during this tour of Andrew Johnson Historical Site and Greeneville's own City Car Garage for a look at some really cool cars from 'back in the day.'

Come Fly with Me!

Explore the intricacies of Radio Controlled flight as you travel to a RC Airport where you will see great RC planes and even get to fly one!

CLASS IS NOW

IN SESSION!

Aquatics- Explore the creatures of the "abyss"! Experience what goes on in the water in swamp and lake areas.

Civil War Survivor- Experience how to survive the Civil War and life in that era! Learn how to load and shoot a musket like a Civil War Soldier and explore the clothing and dress of the Antebellum era.

Cooking with Fire and Iron- What would you do if there was no electricity and your family ran out of tater chips? While you are waiting for the x-box to start working again, why not cook a meal or snack in the back yard? Learn how to use Fire and Iron to cook snacks or a complete meal for your family.

Extreme Fishing- This is not just a day for fishing! Learn the art of tying knots, selecting and using different lures. Experience the art of casting and try it yourself!

Fatal Attraction- Identify animals in the wild! Which ones are beneficial and which are dangerous? Take a walk thru the "Wild Side".

Geo-Caching- Take nothing but a handheld GPS unit on a geo-caching adventure! For this is one of the great tribal Challenges, and your tribe is depending on you to find the treasure!

Hot Air Ballooning- Soar high into the sky! In this class you get to construct a Hot Air Balloon as big as you!! Watch it fill with air and see how high your team's design will fly!

Ice Ice Baby! Toothless goalie vs the Ice Princess! A brief history of the ice sports, hockey and figure skating. Toepickkk! Why do figure skates have them and hockey skates do not? Salchow, lutz and axel...Oh My!

Professor JR- Albert Einstein said, learn from yesterday, live for today, and hope for tomorrow; the important thing is to not stop questioning. Join J.R. to learn how physics and energy combine.

Robots on the Move- Robots are way Cool! If your so wired., you can be an Engineer for the day! Design and build a simple electrical-motor-operated robot from supplied parts that will make drawings on paper.

Rockets' Red Glare- Build a rocket with minimal supplies and watch as it attempts to break the "Clyde-o-Sphere"! Your tribe needs a super rocket to win the tribal challenge.

Snorkeling- Equipped with a mask, a tube, and fins you will navigate the depths and the shallows of the Great Clyde Austin Barrier Reef! Your tribe is counting on your skills to win this tribal challenge.

Star Walk- Challenge yourself to learn the constellations and stars! Identify the North and the South to explore nighttime travel. Excitement is even greater when you add a portable planetarium to the mix. Well, the stars are the limit!
