

A sweater jacket

What makes this wooly jacket so great? It's dripping with Parisian elegance but is as comfy as your grandpa cardigan.

◀ Do a work-to-drinks switcheroo

Remove black office pumps. Replace with sexy, colorful ones. Done.

Make errands seem stylish ▶

Give your puffy vest a rest and add practical-but-cool pieces like this stain-proof bag.

◀ Play with the mix

A big, bold pattern is much easier to pull off (but still broadcasts confidence) with this classic topper.

◀ Take it to the theater

Adding shiny accents makes this right for a fancy evening. (Yet you will not freeze! Genius!)
