

NEW PRODUCT INFORMATION

UT Extension does not promote specific brands, but local Quilt Guilds are recommending Color Catcher sheets similar to the product shown here when washing quilts.

Protect clothes from color bleeding and preserve colors

Shout® Color Catcher® sheets absorb and trap loose dyes in your wash water, protecting clothes against color bleeds and helping preserve original colors.

PRODUCT INFORMATION

- Sheets lock up loose dyes found in the wash water to help prevent dyes from bleeding onto other clothes.
- Sheets change color as they absorb any loose dyes.
- Saves time by reducing the need for sorting.
- Saves money by reducing the need for half-size loads.
- Safe for all colorfast washables.
- Works in all water temperatures.
