

Annual Tennessee 4-H Youth Enrollment Report

Year: 2008

Unit: Example County

Section 1. 4-H Participation

How do young people participate in 4-H?

A 4-H youth participant is defined as any youth taking part in programs provided as a result of action by Extension personnel (professional, paraprofessional, and volunteer). This includes youth participating in programs conducted through 1862, 1890 and 1994 land-grant universities, EFNEP, urban gardening and other programs that may not actually use the 4-H name and emblem with participants. This section includes duplications.
