

POSITION X1950

Tennessee Extension Internship Program: ANR/CED Animal Science Department 10-week Summer Internship

LOCATION

The student will work in the Animal Science Department, Knoxville, TN at the University of Tennessee. Prior to starting the internship, interns will participate in a day-long orientation to familiarize them with Tennessee Extension Programs in ANR.

EFFECTIVE DATE

May 21 – July 30, 2020

SALARY AND BENEFITS

A stipend in the amount of \$6,840.00 for the 10-week internship is provided for each intern. As with any position, it is expected that an intern is able to get to and from work each day. Generally, interns ride with Extension agents during significant work-related travel and therefore do not receive a travel budget allotment.

JOB DESCRIPTION

- Assist in the planning, coordination, and implementation of 4-H youth livestock and equine events during Summer 2019
- Aid in development of youth curriculum covering livestock and equine management, nutrition, health, and current issues affecting each industry
- Plan, promote, and conduct educational sessions at each youth event during internship, including the State 4-H Horse Show, Sheep Expo, and Beef Expo
- Prepare and aid in youth outreach during Academic Conference and 4-H Round-up
- Aid in curriculum development for adult and youth programs
- Aid in preparing youth for educational and exhibition events at the Southern Regional 4-H Horse Championships
- Monitor UTHorse.com website for public questions, relevant news articles, and maintain updates for UT Horse Programs and all youth livestock social media platforms
- Offer support as needed on extension-based research projects, educational outreach and teaching events.

REQUIREMENTS

- Candidate must be enrolled in a college of agriculture, natural resources, environmental science or closely related major.
- Should have completed at least 50 percent of the required course work for the Bachelor's degree with a cumulative GPA of 2.7 (on a 4.0 scale) or higher and has not yet started a graduate program.
- Preference will be given to students presently enrolled in the University of Tennessee, Tennessee State University, any other university or college in Tennessee, or to a student resident of Tennessee enrolled elsewhere. Preference will also be given to those with Extension experience (i.e. former 4-H member, etc.). However, all eligible applicants will be considered.
- Must reside in, or live within a reasonable commuting distance of the assigned location. Housing not provided.
- Must have own transportation to and from work.
- Must present a written and oral report of the project accomplishments and training experience at the end of the internship.

For best consideration, applications for the internship should be submitted by **January 15, 2020**. *Applications received after this date will be reviewed if all slots have not been filled.*

Applicants may be interviewed. Successful applicants will be notified by March 1, 2020.
