Leaves are falling, football season is here, and it’s a little chilly out! That means it is almost Fall Break and 4-H will be starting club meetings this month. We look forward to enrolling you in 4-H and electing officers. You can campaign for an office! Offices to run for are:

- President
- Vice President
- Secretary
- Song Leader
- Service Learning Chairman

If you are chosen as your class representative you will have a meeting to better understand your office on November 5th. You will receive more information if you are the one chosen for an office. Good luck campaigning and work hard for your class!

Yours in 4-H,
Sharon Tubbs & Kane Reeves, Extension Agents

Diane Taylor & Teressa McDonald, Program Assistants

October 5th – 11th is National 4-H week! Celebrate by promoting 4-H! 2014-15 4-H Program

This year in 4-H we will be focusing on Consumer Education and Money Management. The 4-H consumer education/economics project will help you learn about being a good consumer as you explore smart shopping, income and expenses, saving money, credit and needs vs. wants. We have some fun activities planned that will help you grow into a more savvy consumer.

JOIN THE REVOLUTION OF RESPONSIBILITY

What is the 4-H Revolution of Responsibility? It’s a movement for positive change in every community in America. 4-H youth are a living breathing, culture-changing revolution for doing the right thing, breaking through obstacles and pushing our country forward by making a measurable difference right where they live. That takes uncommon commitment.
